## Denis Marx Champagne

Grape varieties :  
Chardonnay,  
Pinot Noir,  
Pinot Meunier.

**Vineyard and soil :** the estate is located in Cerseuil, a village in Champagne, in the heart of the Marne Valley. The vineyard is established in 7 famous villages in Champagne between Troissy and Damery.

**Area :** 11 hectares.

**Production :** 60 000 bottles.

**Vineyard management :** harvesting is carried out by hand with the greatest respect for the traditional Champagne methods.

**Vinification :** the vinification method is ruled by and is specific to the Champagne Appellation. The wine/champagne-making process is carried out in six main steps :  
The pressing the vinification the blending the bottling the maturation the riddling.

**Tasting note :** golden yellow in colour, the “Brut Tradition” cuvee is marked by the black grape varieties which make up 90% of the blend (of which 60% is Pinot Meunier). Dried fruits and spicy aromas awaken with aeration. Round and flattering on the palate, with prominent aromas of peach and gingerbread aromas. The Brut Cuvee, is full-bodied, structured and reveals developed aromas of beeswax and quince.
